Crime Patterns

In this course, you learn how telecommunicators can help law enforcement identify and address crime patterns. You discuss what a crime pattern is and is not, and how to differentiate between pattern types. You also identify the types of crimes generally associated with crime patterns and the characteristics of each.

Goals

Upon completion of this course, the student will be able to demonstrate the following skills.

1. Define crime patterns.
2. Explain how crime patterns differ from other types of criminal activity.
3. Identify types of crimes that can appear in a pattern.
4. Describe the seven types of crime patterns and their features.

Requirements

This self-paced, online course is part of an ongoing effort by PowerPhone to provide timely and essential learning to telecommunicators on new advisories and procedures important to the PSAP community. After completing all sections of this class, you will need to score a minimum of 75% on the final quiz to earn 1.0 CEU.
